आपण करतो ते काम आपल्याला आवडत असेल, तर ते आपण आनंदाने करतो आणि म्हणूनच या कामात आपण यशस्वी होऊ शकतो. यशामुळे आनंदी होण्यापेक्षा आनंदाने काम केल्याने यशस्वी होणे हा प्रवास महत्त्वाचा आहे. हा प्रवास करणारे तो एकत्रितपणे करणार असतील, तर यश भरभर मिळत जाते आणि त्याने आनंदाचा प्रसार होत जातो. हाच प्रवास BBNG मधल्या प्रत्येकाचा घडावा, तो होत असताना प्रत्येकाच्या व्यक्तिमत्त्वाचा विकास व्हावा, प्रगती व्हावी आणि त्या प्रगतीतला एकमेकांचा सहभाग वाढावा म्हणजेच संघटनशक्तीचा अंतर्भाव असावा या विचाररूपी बीजावर आधारित **3G Summit** झाली.

सप्टेंबरच्या 21-22 तारखेला BBNG च्या सर्व chapters चे office bearers म्हणजेच chapter चालवणारे Guardian, Chapter head, Secretary, Treasurer, BBNG मध्ये असलेले सगळे INITIATIVE HEADS, आणि नवीन भागांमध्ये सुरु होणाऱ्या chapter शी संलग्न सदस्य यांच्या साठी BBNG ने रामभाऊ म्हाळगी प्रतिष्ठानच्या उत्तम येथील नेते घडवणाऱ्या प्रशिक्षण केंद्रात **3G Summit** चे आयोजन केले होते.

कलियुगात संघटनशक्तीनेच आपण पुढे जाऊ शकतो, तेव्हा सगळ्या chapter चे office bearers, नेते एकत्र काम करू लागले म्हणजे प्रत्येक chapter स्वतःमध्ये आणि एकमेकांबरोबर काम करू लागले, तर व्यवसाय प्रत्येक प्रांतात त्या त्या प्रांतातल्या ब्राम्हणांकडेच राहील ही जाणीव 3G Summit ने करून दिली.

यासाठी BBNG BOARD OF DIRECTORS ने **Associate Director Dr Ajay Shesh** यांच्या माध्यमातून पुढच्या 5 वर्षात BBNG चा आलेख कसा चढेल हे दाखवले, BBNG साठी एक उद्दिष्ट डोळ्यासमोर ठेवले. **Dr Rishi Acharya** यांच्या सारख्या व्यक्तीला **Associate Director** पदी नेमून त्यांच्या माध्यमातून संघटनशक्तीचे महत्त्व पटवून दिले. याविषयी अंकात अधिक जाणून घेऊया.

**BBNG AT A GLANCE** ने **3G Summit** चा खास अंक करायचा असे ठरवले. कारण या अंकाने BBNG विषयी, **3G Summit** संदर्भात अधिक जाणून घ्यावेसे वाटेले. BBNG मध्ये आता नसलेले नक्कीच त्याचा भाग होऊ इच्छितील. तेव्हा वाचा आणि वाचायला अनेकांना द्या.

येणाऱ्या दिवाळीच्या आपणा सर्वांना हार्दिक शुभेच्छा !

Hello BBNGians,

Warm greetings to everyone!

It fills me with great pride and joy to welcome you all to BBNG's 3G Summit (Gathering for Gains and Goals). This isn't just an event—it's a big moment in our shared journey toward growth and success. As we gather in this peaceful and inspiring place, let's remember we are more than just a group—we are a family, connected by a shared goal and mission.

BBNG is not just focused on helping your business grow; we are also committed to your personal growth. We believe each of you is a source of strength, and together we carry forward the spirit of Brahman entrepreneurship. You are the face of this noble network, and together, we will create a future that is bright—not just for us, but for the generations to come.

Our organization stands at a point of change, built on the hard work of those who came before us. Now, it's our time to move this legacy forward. We imagine a community that is strong & proud, united by our mission to keep growing. We want to build a culture that balances discipline with kindness—a family of entrepreneurs who help one another grow, creating a future where every Brahman is strong, independent, and thriving.

Our goals are bold, but they are within reach: 2000 members, 40 chapters, and 8 global WhatsApp groups in the next two years. Together, we will make this happen, step by step, hand in hand. We are not just here to dream but to act—to turn our dreams into reality.

Over the next two days, you will get to learn from some of the brightest minds—leaders in their fields, mentors, & people who have walked the road to success. Let their guidance inspire you to chase your goals with renewed energy.

We, the BBNGians, are proud to be part of the only global Business Network of Brahmans. We are connecting local businesses to global platforms, transforming our community from job seekers to job creators, from employees to employers. Our vision is to reach every Brahman in the world, overcoming all barriers of language, geography, and belief.

BBNG Initiatives:

<p><b>DEEPASTAMBH :</b></p> <p>Sharing stories of strength &amp; success from Brahman entrepreneurs.</p>	<p><b>FARMER'S WING :</b></p> <p>Connecting our agricultural roots with new business opportunities.</p>
<p><b>OJAS :</b></p> <p>A group of service providers offering the best quality services.</p>	<p><b>UDYAM KAUSHAL :</b></p> <p>Training and mentoring the next wave of startups.</p>
<p><b>Women's Wing :</b></p> <p>Empowering women entrepreneurs with the tools they need to succeed.</p>	<p><b>BBNG AT A GLANCE :</b></p> <p>A digital newsletter with updates on BBNG's activities and articles on personal and business development.</p>
<p><b>YUVA WING :</b></p> <p>Shaping the next generation of entrepreneurial leaders.</p>	<p><b>VCC :</b></p> <p>Expanding into new regions &amp; bringing opportunities to everyone.</p>

Our partnerships with de Asra, GARJE MARATHI, GMBH-Dubai, & MCCIA show that we are on the right path—building bridges for Brahman entrepreneurs around the world.

As we look ahead, let's remember the wisdom of our ancestors:

"उद्यमेन हि सिद्ध्यन्ति कार्याणि न मनोरथैः।"

This means, success comes through hard work, not just dreams. So let us dream, but also have the courage to work hard and make those dreams real.

This is our moment. Together, we will build a community that is strong, capable, & prosperous. Let's create a legacy that will inspire future generations and make us proud of who we are.

Once again, I wish you all a year full of growth, service, and meaningful connections. To those visiting us for the first time, I encourage you to join this incredible journey. There are endless possibilities waiting for you in the BBNG family.

With gratitude and hope,

Shripad Kulkarni

क्षणशः कणशश्चैव विद्यामर्थं च साधयेत् । क्षणे नष्टे कुतो विद्या कणे नष्टे कुतो धनम् ॥

Thank you all for being here again. I hope each of you, my family, leaves with both personal & professional insights. I see a vision for BBNG where more of you, not just a few, are pushing this organization to new heights. I already see some of you stepping up, and I need more of you to join.

We used to have one OB's meeting a year, and now we have two. In the future, we should aim for three or four. Today, 150 of us are leading this platform, and I see this number growing, possibly turning into a full business conference.

A special thanks to Arvind Korhalkar for his support and leadership in organizing this at such a great venue. The energy here reminds us of the power of ethical leadership, which is needed in every community.

Lastly, I wish you all a great two days ahead. Cheers to us!

# Iconic 3G Summit

3G summit a novel concept of residential half yearly office bearers meeting was put forth expecting participation, right from Directors till Development co-ordinators & initiative heads. Which was principally accepted by the President Shripad Kulkarni and rest of BOD members without any hesitation inspite of budget getting doubled.

Intention of this concept was to spent quality training time on office bearers and should be considered as investment on human resource.

Few are inborn leaders few need to be nurtured and who was the best except Dr. Ajay Shesh our associate director, training and mentoring to lead it.

Once the concept was endorsed Arvind korhalkar General secretary proposed to give this opportunity for Mumbai region to host this summit, which was unanimously accepted and the journey started.

Immediately without any iota of doubt Rambhau Mhalgi Prabhodini uttan, Bhayender was the venue which struck. A state of art venue for corporate trainings, politicians & karyakartas who get trained & new leaders are borne from here.

Connect was established a visit was planned with Development co-ordinators of Mumbai region they too unanimously upheld the idea and were ready to shoulder all the responsibilities.

Physical visit mesmerized everybody seeing the serene surroundings and state of art infrastructure. Photographs of various locations in the premises were taken and presented to BOD with negotiated quotation.

Our founder president was not much bothered about the expense & was ready to spend as much required with sole purpose of nurturing leaders, it was immediately seconded by our vice president Mukund kulkarni sir, Associate Finance Director Mahesh Deshpande sir, Associate Director Abhijeet chande.

During the BOD various speakers and trainers name came forward our associate director Dr. shesh sir recommended and emphasised name of Dr. Rishi Acharya

as guest speaker his profile and achievements compelled us to go with him. A zoom meeting was arranged by shesh sir, the meeting set the spark of things to come during his session in 3G summit.

Mumbai region team started working meticulously, a physical meeting of all DCs was arranged different work domains were identified and responsibilities were delegated.

## Itinerary of two days was finalised.

1. Amod khare worked on stay arrangements & allocation of rooms. Designing ppts for different sessions, designing and printing of cover page a booklet for two days session.

2. Vivek wamorkar and chhatre kaka were given stage arrangements and audience sitting arrangements.

Other DCs and OBs volunteered various activities right from food arrangements escorting chief guests, directors.

Days were ticking and the iconic day 21st September arrived. Everybody joined well in time from different places of maharashtra, Jalgaon, Latur, sangli, kolhapur, sambhaji nagar, nashik, poona and all from Mumbai region.

Everybody had welcome tea, then upvas lunch. Everybody checked in their room got fresh and joined to hear inaugural address by founder president Shripad sir, Mukund sir lead the interactive session with Obs.

A small tea break and then the charismatic speaker Dr. Rushi Acharya took the stage he mesmerised everybody with his subject **'Building a High-Performance Culture of mutual growth: संघे शक्ति कलियुगे.'**

Nobody moved from the place not the eye contact was lost through two hours session. Everybody was on their feets post the session. It was a life time remembrance for all.

Everybody dispersed for networking dinner and some relaxed moments till late night, But it was not for Directors till DCs who had brain storming BOD meeting envisioning the vision of BBNG.

## Day two 22nd September

Day started with bed tea and for few in the scenic nature, few strolled, few were chit chating with a cup of tea/coffee in their hand, pure and fresh oxygen got pumped in lungs and everybody got ready for breakfast.

Session started at 9am with a subject step up or pack up -BBNG strategy for next three years.

explaining mission and vision involving the audience, 22nd September was declared historic day for bbng setting a vision of presence in 195 countries with 1000 chapters and revenue collection of 37,500 crores This set a shiver amongst those present on hearing these nos.

A new dream was given to all to ponder on and to start working for the vision taking baby steps.

Various tasks were given obs came whole heartedly forward to accomplish the tasks.

## The audience was charged.

Session ended with full charged battery of thoughts for all.

Climax of the summit was conferring and inducting Dr. Rushi Acharya as Associate director, Branding and Marketing, suyog narawanes upward movement in heirarchy as Executive Director stunned everybody and their were thunder of applause for recognition which both deserved.

Summit ended with small session termed reflection which was interactive session of both speakers with audience exchanging good thoughts.

All and all it was start of new chapter in books of BBNG probably there will be demarkation when bbngs history will be written and AV will be presented it will have two sections BBNG before 3G summit and bbng post 3G summit. Ball has started rolling, but we all need to make it rolling probably with higher speeds.

All dispersed with lot of scintillating memories and with resolution we all will take bbng to newer heights.

Dr. Ajay Shesh

Dear All

I am very happy to be able to add value to this 3G summit and for the warm welcome and value accorded to **Dr Rishi Acharya** whom I introduced to BBNG. I always felt that his knowledge, experience and wisdom can take BBNG to great heights. And what a presentation he made!!! Absolutely priceless. Truly deserving of the designation of Asso. Director that he was awarded. Thanks to Shripad sir to be the **Parkhi** of the **Diamond**.

As for me - due to time constraints - I was able to complete 3/4th of the contents I had planned - the part of creating a **3 years business & revenue plan** has remained pending which I will complete in next such meeting.

Now what remains is the **proper follow up** of the responsibilities that people have taken. That we at senior levels have to do diligently. No follow up and no performance of tasks makes a joke of the whole planning exercise. It is a **natural human tendency** to make promises by people at the heat of the moment. But we must ensure that they are fulfilled by them. Only then can we expect a high **ROI** of the investment done on this meet and a **PPP [permanent positive change]** for the future.

**Profuse Gratitude for Shri Arvind Korhalkar** Ji for conceptualizing and executing this important milestone meet [Historic Date]

**May God bless our pious, selfless intentions ,**  
Vande Mataram

Dr. Rishi Acharya

**Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful."**

– Albert Schweitzer

Reflecting on my recent experience at the 3G OBs Summit, I am filled with a profound sense of inspiration and gratitude. This remarkable gathering of minds and ideas was a truly transformative experience, providing me with invaluable insights and reaffirming the power of collaboration, innovation, and purpose-driven leadership. As I stood in front of the esteemed audience to share my thoughts on **"Sangho Shakti Kaliyuge,"** I felt a deep connection to the core values that bind us all in our pursuit of building sustainable and growth-oriented organizations.

I am deeply touched by the praise and affection I received during the summit after my talk. The open-mindedness and learning attitude of the senior leadership team were truly commendable. The second day of the summit, where Dr. Ajay Shesh, along with the management team and all OBs, created a historic document outlining BBNG's next targets, was the true highlight of the event. I am confident that the vision and strategy set forth by the OBs and management will significantly accelerate BBNG's growth in the coming years.

My talk, "Sangho Shakti Kaliyuge," was rooted in the timeless principles of making an immortal organization in modern times. Drawing from ancient principles and fusing them with contemporary practices, I focused on how organizations like BBNG can harness the power of unity and shared purpose to thrive in today's fast-paced world. The core message I sought to convey was that an organization's long-term sustainability lies in its ability to foster collaboration, empower individuals, and maintaining personal connections with each and every member of the team

At the heart of my discussion were three key principles:

Collaborative Leadership

In today's dynamic environment, leadership is no longer confined to a single individual. It is a shared responsibility that must be embraced across all levels of an organization. Through collaboration, we can unlock the collective intelligence of our teams, driving innovation and creativity. BBNG, with its strong foundation of diverse leaders, is perfectly poised to leverage this principle for sustainable growth.

Adaptability to Change

As the world continues to evolve, so must we. Organizations that fail to adapt are left behind. I emphasized the importance of creating a culture that not only accepts but embraces change. By nurturing an environment of continuous learning & development, BBNG can remain at the forefront of innovation and lead the charge into the future.

Purpose-Driven Growth

An organization's success is not – measured by profits alone, but by the impact it has on society. Growth must be aligned with purpose, and every action should contribute to a larger goal. I believe that BBNG's commitment to community building and social responsibility will be the cornerstone of its future success.

As I reflect on the Summit and my role moving forward, I am excited about the future of BBNG & my contribution as Associate Director of Marketing & Digital Growth. I firmly believe that our next step is to further strengthen the digital presence of BBNG. In an age where digital engagement defines an organization's visibility, my vision is to make BBNG a leader in both online and offline engagement.

My plans for the future involve spearheading initiatives that will enhance our digital footprint. From revamping our website and mobile applications to creating interactive, value-driven platforms for our members, I aim to ensure that BBNG remains a cutting-edge organization that adapts to the needs of its members and the ever-evolving market landscape.

One of my key objectives will be to integrate digital marketing strategies that not only focus on visibility but also on value creation. By leveraging tools such as SEO, social media marketing, and CRM solutions, we will build a strong online community that fosters engagement and promotes our mission. I envision a future where BBNG is recognized as a thought leader, not just through our physical presence but through our digital platforms that serve as a hub for learning, innovation, and growth.

Dr. Rishi Acharya

PhD, MBA Marketing, Executive Aluminus IIM Jammu  
M.Sc. IT, M.Sc. Value Education & Spirituality

In alignment with our core values, I also aim to implement strategies that promote continuous learning and technical upskilling for our members. As technology evolves, it is imperative that our members stay ahead of the curve. Through workshops, digital resources, and community-driven learning platforms, I hope to empower every member of BBNG to thrive in the digital age.

The journey ahead is one I embrace with enthusiasm and a deep sense of responsibility. I am confident that with the collective strength of our members and the leadership of BBNG, we will achieve extraordinary milestones in the coming years.

**"The strength of the team is each individual member. The strength of each member is the team."** – Phil Jackson

I look forward to this shared journey of growth and transformation, where together we will build a future that honors our past, strengthens our present, and paves the way for a brighter tomorrow.

With Regards

## बीबीएनजीची श्रीजी समिट बीबीएनजीच्याओबीस करता आणि विशेषत..

नवीन झालेल्या ऑफिस बेअरर्स करतात खूप प्रेरणादायी ठरली कारण इथे ज्या चर्चा झाल्या त्यातून फक्त आपल्या व्यवसायाला नवीन दिशा देणे इतकच नव्हे तर आपल्या विचारांना नवी दिशा देणे आणि आपली सामर्थ्य शोधून त्यांचा योग्य उपयोग कसा करायचा याबद्दलही खूप सखोल चर्चा झाली.

आपण सर्व ब्राह्मण आहोत आपण व्यवसायात उतरलो आहोत पण आपला सनातन संस्कृतीचा पाया मात्र आपण न विसरता त्या सनातन संस्कृतीच्या पायावरच उभे राहून आपण आपला व्यवसाय कसा समर्थपणे बनवू शकतो आणि आपल्या ब्राह्मण समाजाला समर्थ ब्राह्मण संपन्न ब्राह्मण समृद्ध ब्राह्मण खऱ्या अर्थाने कसा बनवू शकतो याबद्दल एक अप्रतिम दृष्टिकोन शनिवारच्या डॉक्टर ऋषि आचार्य यांच्या सेशनमध्ये सर्व ब्राह्मण ऑफिस बेअरर्सना मिळाला.

रविवारी बीबीएनजी चे डायरेक्टर आणि एक यशस्वी ट्रेनर डॉक्टर अजय शेष यांनी व्यवसाय नियोजना संबंधी एक महत्वाचे सेशन घेतलं जात सर्वांना माहीत असलेल्या स्मॉट एनालिसिस कडे पाहण्याचा एक वेगळा नवीन आणि समर्थ दृष्टिकोन सर्वांना मिळाला आणि त्याच बरोबर आपण स्वतःच्या व्यवसायासह आपल्या ब्राह्मण बिझनेस नेटवर्क ग्लोबल बदलही कशाप्रकारे विचार करू शकतो आणि आपण आपला व्यवसाय आणि आपली संस्था दोन्ही तितक्याच ताकतीने कसे मोठे करू शकतो याबद्दल एक अत्यंत प्रभावशाली दृष्टिकोन सर्वांना मिळाला.

माझी खात्री आहे की या दोन्ही गोष्टींमुळे या समितीला उपस्थित असलेल्या प्रत्येक ऑफिस बेअररचा स्वतःचा व्यवसाय तर उत्तम भरारी घ्यायला सुरुवात करणारच आहे, पण त्याचबरोबर या सगळ्यांच्या एकजुटीचा संघटित परिणाम म्हणजे ब्राह्मण बिझनेस नेटवर्क ग्लोबलची संघ शक्ती सुद्धा या सर्व गोष्टींच्या नियोजित वापरामुळे प्रचंड वाढू शकणार आहे.

चला तर या श्रीजी समिट चा आपल्या लाडक्या ब्राह्मण बिझनेस नेटवर्क ग्लोबल वर होऊ घातलेल्या परिणामाचे आपण सर्वजण सक्रिय साक्षीदार बनूया!
