Dear BBNGians,

Pariwartan 2024 is around the corner, and I for one, am super excited. What about you? My experience of previous conferences has been of huge learning and immense networking opportunities.

Continuing our build up to Pariwartan 2024, we are sharing another success story from previous Parivartan in this edition. I am sure it will excite and inspire all of you!

We have covered in previous editions, various initiatives that BBNG takes to give members more and more networking opportunities and also for business development. Here we are covering Amrit Yojna, a Govt of Maharashtra initiative exclusively for Brahmin entrepreneurs which was announced by our beloved Dy CM, Devendra Phadanvis ji, at Pariwartan 2023, where he was the Chief Guest. This project is extremely close to his heart. GoM has tied up with our Dombivali Chapter member and it is a matter of great pride and honour for all of us.

We hope you enjoy and benefit from this edition of BBNG AT A GLANCE, which we have kept deliberately small.

Happy Networking!

Regards,
