Now I will give the details of how we did marketing of our Jaggery. The first two years were difficult as we didn't have our brand & we have to complete all Government formalities. Our jaggery is relatively costly. The reason being we made it in traditional way no added chemicals, no additional sugar. So, we gave all our produce to other people & they marketed it in their brand.

Gradually we created & registered our brand, had all the Government requisites. Still we needed someone who is Quality conscious & have faith in our products. Here BBNG helped us. In Nashik conference (January - 2020) I could meet Datar Sir (Known as "Masala King") in person, gave him my product samples. To my surprise I got the order without any follow up. Since then I am receiving orders throughout the year. This gave boost to my business. During my Dubai visit I was delighted to see my jaggery products in Al-Adil's racks.

With this I take this opportunity to thank BBNG, specially Shri. Shripadji. He introduced me to the **"eGiant Agro Connect"** personality from Dubai. I thank Shri. Datar Sir for giving me the opportunity to connect with him.

We provide thorough and sparkling cleaning services in a timely manner, which is our unique selling point. We have modern equipment and trained staff. I am Siddhi Kulkarni, the owner of 'Siddhi Hygiene' , and a member of BBNG Warje Chapter.

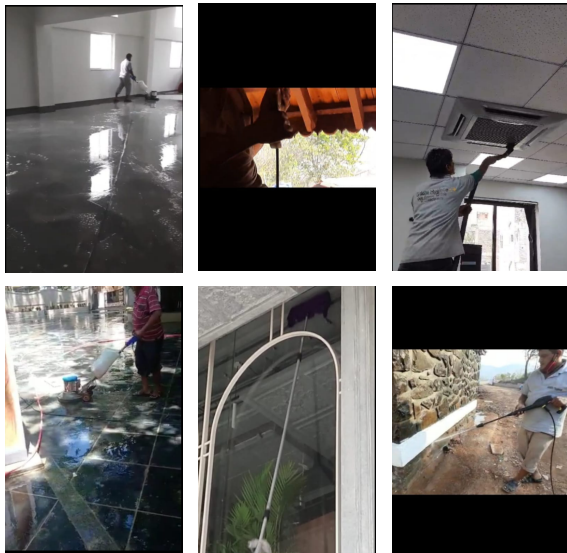

'Change' means significant transformation. At Parivartan 2022 held by BBNG in Pune, my business experienced significant growth in the scale of work. I talked with a few delegates and gained valuable insights about large scale projects and how to manage them. I also unders- tood that the scope of my work is much larger than what I had thought and that I could provide various other services and solutions in cleaning services, and this experience has been valuable.

The Pune Parivartan Team had distributed folders to all delegates attending Parivartan 2022 which included a brochure from 'Siddhi Hygiene'. Prominent industrialist **Anup Inamdar** read the brochure, contacted us, gained more information about deep cleaning, and scheduled a site visit. After the site visit, they were extremely pleased with the cleaning of their bungalow windows and capsule lift. After some days they had requirement of newly constructed home with modern furniture, tiles, top glass cleaning, and more. All of this was cleaned, and the total cost was 62,000 INR. This experience was a very enjoyable as well as a learning one. We get such similar experiences from all our customers and they take Siddhi Hygiene' to new heights.

PARIVARTAN SUCCESS STORIES

Hello Friends

I am Arvind Pahurkar from Simplex Textile Mills Mumbai and BBNG Thane chapter member.

We are into Textile Manufacturing Business like Suiting, Shirting, Kurta & Pajama Fabrics, Terry Towels, Dohars, Sweaters etc.

Few months back we have started our Ready Made Garment division through which we are producing Shirts, School & Corporate Uniforms (which is our USP), Kurta Pajama etc.

We are having PAN India Dealer Network.

Last year one day I received a call from our Thane chapter member Mr. Prasad Joshi (actually he has not his own business. Helping others is only his business)

He asked me to contact Mr. Shashank Purandare from Bharat Vikas Parishad, Pune regarding their requirement of school uniform, Next day I had a talk with Shri. Shashankji, he said now we don't have any requirement but he will be in touch with us when requirement arises.

In the month of March, I had received call from Shri. Shashankji . they supplies the school uniform of Boys & Girls of Vanvasi Kalyan Ashram School & Nutan Vidhalaya at Guhi, near Nashik and asked for quotation.

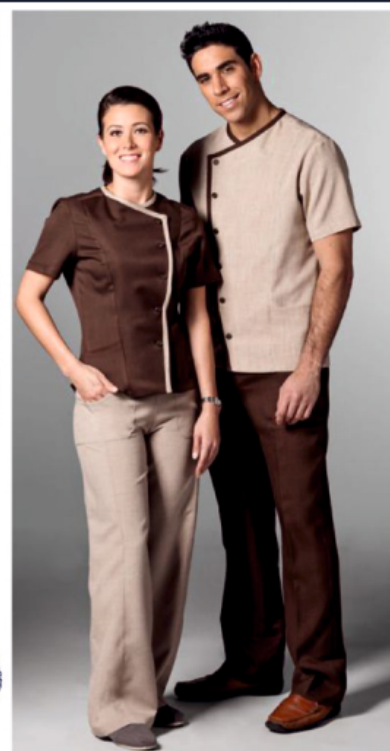

I have suggested him to send someone to visit our factory and selection of cloth. He deputed the person from Vanvasi Kalyan Ashram. That person visited our factory & selected the fabric for their school uniforms. Accordingly we had given him quotation.

They have gone through it & issued P.O. along with advance payment. The order value of @ 5 lacs, last year they have purchased from other vender at Rs. 6.50 lacs the same quantity. We have given them better quality than their prior purchase.

I am very much Thankful to Shri Prasadji as well as BBNG for providing me valuable contacts for valuable business.

कृतज्ञ आहोतच ... आता कृतार्थ झाले पाहिजे....

माजी राष्ट्रीय टेबल टेनिसपटू, महावितरणमधील सेवानिवृत्त अधिकारी, एक सफल उद्योजिका, बँकेच्या संचालिका व शिक्षण क्षेत्र अशा विविध क्षेत्रात कार्यरत अष्टपैलू व्यक्तिमत्वाच्या **डॉ. अलका मुकुंद कुलकर्णी यांच्याशी मनमोकळ्या गप्पा...**

आपल्या ६० वर्षांचा जीवनपट उलगडून सांगतांना त्या भावनांविषय झाल्या होत्या. मध्ये नोकरी मिळवून दिली, लग्न झाले ते मूळ सोलापुरचे मुकुंद कुलकर्णी यांच्यासोबत. नोकरी निमित्ताने नाशिकला येणे झाले.
